## Benefits for students registering for their PYP with Academy IT include:

- Academy IT provides exclusively to our PYP students, access to register for any of our non-PYP courses at a very special low price. These courses are not part of the PYP but will enable students to learn other real IT skills. (This offer is also available to our Agents staff that provide us students for PYP).

For this offer – contact Brian Peel (Managing Director) via email: [brian.peel@academyit.com.au](mailto:brian.peel@academyit.com.au) for more information or to make an appointment to meet with Brian in person.
